2007 2007 2007 2007 2007

Hauptkatalog 2007

In diesem Katalog sind sämtliche Teile und Zubehöre mit den Original Artikelnummern des Herstellers angegeben. Damit können Sie die Ersatzteile selbst und unabhängig der Modelle sofort und einwandfrei erkennen.

Es ist möglich, dass die von uns gelieferten Ersatzteile nicht direkt vom Hersteller selbst angefertigt werden, doch jedes Ersatzteil wird von uns geprüft und entspricht der Original Qualität. Unser Ziel ist es, Ihnen erstklassige Motorschlitten Produkte zu vorteilhaften Konditionen bieten zu können, damit Ihre Motorschlitten mit Garantie die beste Performance abliefern.

31-03 R Vuotsolainen for Pilot ski 230 mm 8 mm

Best plastic ski skins in the market; 8 mm material and high quality HPDE raw material. Tolerates - 60 degrees.

These ski skins are manufactured by Lokari Yhtiöt in Rauma. Each model has Teo Lehtimäki Oy logo. Fits perfectly on the ski forms.

You can use these ski skins without any ski, if you have the bracket inside designed by yourself. Positive experience of racing drivers.

Adjusting

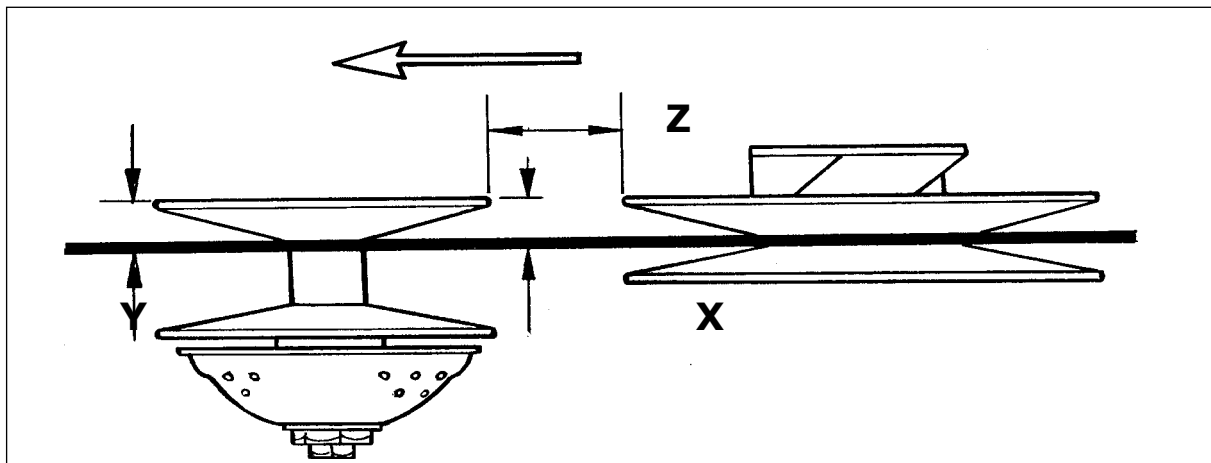

Whenever you install a new clutch or repair the old one, always remember to check driven pulley, tension and condition of the spring. Very often the spring is "dead" and does not do its job.

If the spring in driven pulley is "dead", it allows the clutch to shift too early and the engine has no possibility to run well. Replace or tighten the spring, also you can clean parts but do not use grease.

Powerline

Check the powerline with 12 mm thick iron bar. If there is no rubber stopper to stop the engine turning when using the throttle, then **Y** must be 1,0 - 1,5 mm bigger than **X**. Note also that due to a smaller clutch, the distance **Z** in your service manual does not exist. It is something else, but the difference is acceptable.
